

National Legionella Conference

13 & 14 November 2017 | Sea World Resort, Gold Coast

Proudly brought to you by:

The Institute of Plumbing
Inspectors Qld. Inc

The National Legionella Conference aims to share emerging research, best practice, innovative products, workplace tools, models and ideas. The conference is the year's best opportunity for hospital administrators, health industry workers, hydraulic designers, engineers and plumbing industry professionals to gain knowledge in contemporary Legionella risk management practices.
